

POS-T FLEX LED-SYSTEM

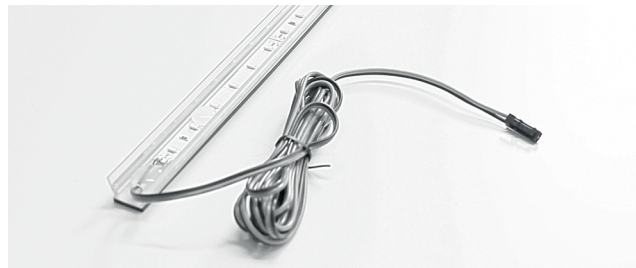

TECHNICAL DATA

LED Plug Power Supply

- Usable power **24 W**
- Voltage **24 V**
- Maximum length of connected LEDs **5 meters**
- Lifespan at least **50,000 hours**
- Power supply is approved for LED applications

LED Light Source

- Power consumption **4.8 W/m**
- Supply voltage **24 V**
- Light color **6000 K**
- Color Rendering Index (CRI) **> 85**
- Luminous flux **69 lm/W**
- Lifespan at least **30,000 hours**

Environmental Variables for the System:

- Temperature range **0 – 40 °C**
- Humidity **20 – 95 %**

Always follow the installation and safety instructions!
